

# Carmel Valley Middle School

A Proud Member of the San Dieguito Union High School District

Hello Bobcat Community, I hope this message finds you well. Please see below for many important updates.

## Chromebook and Agenda Planner Distribution - August 17-18 from 9am to 3pm

- If your student does not have a device to use at home, we have you covered! Please have your student's name (last, first) clearly displayed in the front and rear windshield of your vehicle and proceed up Mykonos Lane into the front parking lot. A staff member wearing PPE will approach the vehicle and place all materials (Chromebook, charger, agenda) in the trunk or backseat. Please help everyone stay safe by observing all social distancing rules, remaining in your car at all times, and wearing a mask if you open the car window. **Chromebook, agenda and school materials (below) distribution will continue throughout the school year on an as needed basis, so don't worry if you miss this first opportunity!**
- *Students who already have technology at home and do not need a district issued Chromebook are still encouraged to come to receive a CVMS agenda planner.* 8th graders who already have a Chromebook from last year should continue using that device.
- Be sure to explore the [SDUHSD Tech Hub Page](#). An excellent resource to help students and parents become familiar with the technology needed for school. [The Essentials To Getting Started](#) will help you activate your student's SDUHSD Google account if they haven't done so already.
- If you have any questions regarding school technology or the distribution days, please contact our amazing Learning Commons Technician, Ian Richards, at [ian.richards@sduhsd.net](mailto:ian.richards@sduhsd.net)

## New Student Orientation and All Student Information - Week of August 17-21

- New and incoming students will receive a Google Classroom invitation (in their district email) in order to view a welcome video, message, and more from their 8th grade WEB (Welcome everybody) Leader. .
- All students and families will receive additional school information and resources in a digital format during this week as well. No live participation or sign in will be required to view this information.

## School Materials Distribution - Date TBD

- There will be a subsequent Distribution Day(s) for school materials to include but not limited to Chromebooks, textbooks, novels, math packets, and instruments. We are currently developing this plan, please stay tuned for details, and thank you for your patience.

## SDUHSD Middle School Distance Learning Schedule

- [The SDUHSD Middle School Distance Learning Schedule](#) will be the same for all middle schools. How CVMS staff and students utilize the student support time will be clarified in the coming days/weeks. CVMS will keep you up to date with any changes and more in our newsletters, website and district communication.
- Please click [here](#) if you have any questions or feedback regarding the schedule. We highly value your input to ensure we are supporting our students and families as best as possible during this challenging time.

CVMS will continue to communicate as more details are finalized. I very much want our community to feel informed and supported while we navigate the start of the 2020-21 school year together. Be sure to also explore the [SDUHSD](#) and [CVMS websites](#), and please know all of us here at SDUHSD and CVMS are working tirelessly in order for our students and families to have a positive and welcoming start to the school year.

Proud to be a Bobcat,

Chuck Adams  
Interim Principal
