From the Principal

Good afternoon, Bobcat Families!

I hope you will join me in celebrating CVMS student, Sammy S., who was just awarded not one, but TWO Gold Keys in the Regional Scholastic Writing Competition and will go on to compete at the national level. The competition includes entries from 7th - 12th grades and only ~5-7% of entries are awarded Gold Keys. Sammy won two...and against High School competition. We couldn't be more proud.

Thank you to all of the parents who came to Coffee with the Principal. I really appreciate the dialogue and I look forward to expanding our communication efforts to be able to engage with even more of our Bobcat community. Additionally, I would like to acknowledge and thank our tireless PTSA leadership for all of the support throughout the school year. Without the dedication of our PTSA, CVMS would not be able to do many of the extraordinary things we do every day.

Have a great weekend! Go Bobcats! Grrrrr...

Adam Bishop
Principal

COUNSELOR'S CORNER

Families of any student who earned a "D" or "F" on the first semester report card or at the April progress report for English 7 or 8 or Math A or B were sent a summer school information and an application this week. Applications should be returned to the CVMS Counseling Office via email or in person by May 17th. Applications were also sent for our English Language Development Students as well. If you have any questions about summer school or need another application, please refer to the [district summer school page](#) or contact your counselor.

On Monday, our Bobcats completed an [advisory on lesson on stress](#) and effective strategies to deal with the many different types of stress they may experience. We wanted to share it with you so that you can use it as a discussion starter with your Bobcat. We also encourage you to look through the presentation so that you can have resources when you are helping your Bobcat deal with their stress. Slide 17 has some great resources for anyone to use to help refocus and reset.
