From the Principal

Good afternoon, Bobcat Families!

It was Kindness Week here at CVMS. ASB leaders provided daily activities to promote acts of kindness and positive student interactions on campus. It was great to see so many of our students participating in each activity.

We have a number of exciting events coming up in the near future. Please take note of the Upcoming Events section to make sure your calendar is up to date. You can also follow us on Instagram (@CVMSBobcats_Official) to get updates and announcements in real time.

Finally, students can sign up to participate in our Variety Show from February 1 - February 9th. Please encourage your talented Bobcat to sign up and show off their amazing talents!

Have a great weekend. Go Bobcats! Grrrrr...

ASSISTANT PRINCIPAL'S MESSAGE

We have seen an uptick in absences and tardies as the new semester begins. Please review the CVMS attendance and tardy policies with your student.

ATTENDANCE - Your student's daily attendance is an essential part of their education. When your student is absent you should call the school *each day of their absence*, not when they return to school. If you do not call, your student must provide a note. We need to know why your student is not at school.

ABSENCES - A student's absence must be cleared by a parent or guardian within 48 hours by way of (1) telephone verification (2) a note or (3) an email to the Attendance Secretary.

Email: cvattendance@sduhsd.net
Phone 858-481-8221 x 3011

TARDIES - We review tardies on a two-week cycle. If a student is tardy for four or more class periods during those two weeks, they will receive a detention. Your student will be notified by administration and front office staff when and where the detention will be served.

Sincerely,
Nathan Molina
Assistant Principal

COUNSELOR'S CORNER

The high school selection window is now open and tours and information sessions are underway. Please be sure to make your selection prior to the selection deadline and consult the district website for more information, times and dates.

Counselors will be speaking with our 8th graders on Monday during their history classes and discussing "High School and Beyond". This presentation is designed to supplement what they will learn at high school registration nights and will hear in many different ways and times throughout their high school careers. We will discuss things like the differences between our feeder high schools, CTE paths as well as high school diploma requirements. We will also talk about the different types of post college options as well as college entrance (A-G) requirements. We will post a link to this presentation on Tuesday.

Our next Career Speaker Series will be on February 8th at PAW. We will host Aidan Goodman and Maile Gaardner-Fenigold from the Del Mar Lifeguards, who will discuss their experiences as lifeguards, water safety as well as related careers. Also presenting will be Dr. Krishna Allamneni, Chief Development Officer at Concarlo Therapeutics, developing prescription medication for drug resistant cancer. Please be sure to encourage your bobcat to participate. Spaces are available but all students must RSVP through the Learning Commons Google Classroom.

Future Bobcat registration is now underway. If you, family members or friends will be enrolling in CVMS next year, please be sure to use the Registration tab on the counseling page of the CVMS Website to enroll your students. Course selection for current seventh graders will take place closer to spring.
