From the Principal

Good afternoon, Bobcat Families!

As we wind down the school year, preparations are well under way for our 8th grade Promotion ceremony. You can find our [2024 8th Grade Promotion Information document here](#). Please be sure to read the entire document carefully so that you have all the information you need to celebrate your Bobcat on this special occasion!

While I'm on the subject of celebrations... Next week, CVMS and our wonderful PTSA will be recognizing our teachers and staff members for Teacher/Staff Appreciation Week. We truly have an excellent staff who is well-deserving of our appreciation.

Finally, I am planning to try something a little different for the final Coffee with the Principal on May 17. Please check your email on Monday for details!

Have a great weekend! Go Bobcats! Grrrrr...

Principal

ASSISTANT PRINCIPAL'S MESSAGE

Hello Bobcat Families,

8th Grade Chromebook Collection

This is a reminder that Chromebooks will be collected from 8th graders on Tuesday, May 28th, and Thursday, May 30th. Chromebooks will be inspected for damage, and fees may be assessed during this collection period.

CAASPP Testing Make-Ups

Our CAASPP State testing window is complete! That said, there are a small number of students that need to complete their test(s). Arrangements will be made on your student's behalf to complete these important tests during PAW over the next two weeks.

Sincerely,
Nathan Molina
Assistant Principal

COUNSELOR'S CORNER

A final reminder that summer school applications are due to the counseling office by NEXT Friday, May 17th. If your child received a D or an F at the semester or is currently earning a D or F, summer school is strongly recommended. The district will only be offering classes for remediation in Math A or B and English 7 or 8 only. Please see the [summer school page](#) for information and a copy of the summer school application.

As we continue to observe Mental Health Awareness Month, we wanted to share an article about [how to start a conversation with you tween/teen](#) if you are seeing behaviors that concern you. You can also reach out to your student's counselor at any time for help.

Our final advisory lesson of the year will be on Monday. Students will be asked to explore their relationship with social media and other technology. This is a very timely lesson as students will probably spend more time on line as the summer approaches and as we explore the impact of technology on our mental health during May. This lesson is done via the Thrively portal so be sure and ask your Bobcat about their responses and reflections.
